To assure prompt and efficient warranty service, familiarize yourself with the Warranty Service Program in your Homebuyers Guide. List warranty requests and/or questions in detail, and submit request. Upon receipt of your request, one of our Customer Service Representatives will set an appointment to inspect interior items. Please make yourself available to meet with the field representative and to allow trade partners entry to your home to complete work. All appointments are scheduled Monday through Friday 7am to 4pm. Please sign off on all work completed.
